**820011 100 ml**

**820012 250 ml**

**820013 1 l**

**820014 Spray 400 ml**

## 820020 Extra Strong Wood Stripper Gel 750 l

Minimal build woodstain, prepared with resins and oils. The product enhances the wood grain and provides a bright finish.

### Description

Radikal Abbeizer is a jelly product methylene chloride based, studied to remove with efficacy any wood varnish. The product is free from soda lye so therefore does not alter the wood colour. It is advisable to work in a well ventilated area. For professional use.

## Radical waxer – cleaner

Ideal product for the complete cleaning of all wooden surfaces. The formula removes quickly and efficiently old layers of wax, cleaning wood from dirt and residuals, not damaging underlying varnishes.

**820022 250 ml**

**820024 500 ml**

### **820030 stain remover Spray 400 ml**

Special for quick removal of grey halos, water and alcohol stains from 1Pk varnished surfaces. Easy to use, rapidly efficient.

### **Furniture cleaner**

**820040 250 ml**

**820041 500 ml**

Made from a blend of exotic oils and root's extracts, this product help to bring back a shine to all lacquered and varnished surfaces. Specially developed to remove halos and discolorations caused by deterioration of the wood fibre and by humidity. This product penetrates in depth and helps to regenerate the treated surface bringing back its natural brightness.

### **820045 Furniture cleaner Spray 400 ml**

The spray detergent is a professional product used for deep cleaning and polishing all wood surfaces. Featuring optimal degreasing properties: to be applied in small quantities on wax varnished surfaces to avoid the potential risk of removal.

## Borma Solve –thinner
